

Corporate Social Responsibility Policy

The Corporate Social Responsibility Policy of the Company is to associate with non-religious, non- sectarian and non- political organizations (“Charities”) and support projects of Charities relating to community development, inter alia, covering areas such as education, health care, skill development, environmental sustainability and also with Charities undertaking relief work at times of natural calamity and contribute to Social and Economic Development of the community in which we operate.

Our Policy is implemented through a Committee of the Board which in turn is supported by employee representatives. The Policy sets out, Vision, Mission, Activities and importantly Monitoring of support extended to Charities.

Our engagement model has allowed us to undertake value added activities with the Charities such as Lotus Petal, Setu, Khushboo Welfare Society and IamGurgaon to name a few. Our CSR Policy aims to maximize employee engagement in what we do. For e.g., conduct teaching sessions at schools.
